

Administration

Principal/School Director

Acting with the approval of the Council and upon the advice of the Executive Director, each Principal/School Director shall be the chief administrator of his/her school. All personnel assigned to a building shall be directly responsible to the Principal/Director of the school during the time they are working in his/her building.

The Principal/Director is charged with the supervision and direction of the staff and students assigned to his/her building, and with care of the school facility and its equipment. He/she shall see that rules and regulations of the district, the directives of its officers, and the guidelines for the instructional program are observed. Within the framework of the policies of the Council and the general rules and regulations set by the Executive Director, the Principal/Director may establish and enforce such rules as he/she deems advisable and necessary for the efficient operation of his/her school program.

Policy adopted: May 18, 2005
