CREC region science teachers and district coordinators are invited to attend monthly council meetings to share best practices, engage in new thinking about science education, and continue to proactively respond to the demands of the Next Generation Science Standards, Connecticut Core Standards, and CAPT Science. In addition, input from participants regarding additional topic selections will be encouraged in order to best meet the needs of the council membership.

All sessions are provided at no cost to CREC districts.

Council Chairs: Jaime Rechenberg Ed.D. and John Duffy.
