

Transforming Feedback for Professional Learning

Feedback for professional learning comes in many forms. Participants will examine the research of Learning Forward's Joellen Killion, author of *The Feedback Process*, and develop a personalized plan to improve the feedback process.

Date:

How Staff Shape Leadership Effectiveness

Followers in an organization can be just as consequential as its leaders. Using the research of Barbara Kellerman (*Harvard Business Review*, 2007), participants will examine the different types of followers, how an individual chooses to become a follower or a leader, and how leadership can influence followship.
