**Description:** This workshop offers a framework for exploring and clarifying the role of the bilingual tutor, paraprofessional, and other support staff working directly with English Learners in the classroom. The workshop will provide participants with an overview of the formal stages of second language acquisition, how to provide intensive support for students in all stages of English language learning and how to assist students in mainstream classes. Additionally, this workshop will provide participants with multiple examples of practical approaches, highly effective learning strategies and a 'toolkit' of essential implementation tools.

**Objectives:** This workshop will maximize the effectiveness of bilingual tutors, paraprofessionals and other support staff in supporting English Learners in the classroom. It will provide participants with applicable best practices for second language acquisition, as well as highly effective strategies to best support ELs in all stages of language development.

**Target Audience:** Bilingual Instructors, ESL/ELL Coordinators, Paraprofessionals
