

K-5 Math Workshops

Implementation and Next Steps

Implementation of Math Workshop Grades K-5

AM Session (8:30 a.m. – 11:30 a.m.)

This 1/2 day workshop offers an overview on how to initiate, support, and sustain Math Workshop in the K-5 classroom. This workshop is an introduction to Math Workshop in the elementary classroom. Participants will learn how to support content and differentiation to meet the needs of diverse learners using the workshop model. We will address different structures, routines and rituals, and connect to state standards in the workshop model.

Math Workshop: Next Steps for Grades K-5

PM Session (12:30 p.m. – 3:30 p.m.)

This 1/2 day session workshop offers current teachers of Math Workshop in their elementary classroom (K-5) the opportunity to explore common areas of concerns during math instruction. We will explore math conferences, guided math groups, and raising the rigor of math workstations.
