111 Charter Oak Ave.
Hartford, CT

Cost:

\$100

(Lunch is on your own.)

REGISTER

For a complete listing of CREC's Expert Solutions events, visit www.crec.org/events

Description: Join colleagues for an in-depth look at the Connecticut Core Standards for the mathematics fractions progression. Participants will learn exactly what is expected by grade level, as well as how it all fits together across the progression. The workshop will include time to plan lessons and create resources for immediate use in your classroom.

Audience: Teachers of mathematics in grades 1-6, math coaches, interventionists, and support staff.

For additional information contact Sue Renehan at srenehan@crec.org.

Please bring ear buds and a laptop or other device for note taking and access to on-line resources.
