**REGISTER**

For a complete listing of CREC's Expert Solutions events, visit [www.crec.org/events](http://www.crec.org/events)

This workshop will support educators who have a Reading and Writing Workshop up and running in their classrooms who want support, or wish to enhance their practice with conferring.

Participants will be provided resources and tools to improve their reading and writing conferences, and build independence amongst their student readers and writers. The workshop will cover topics such as conferring structures, types of conferences, planning for conferring, and assessing student readers and writers. Participants will role-play conference scenarios with colleagues and make conferring decisions by looking at student work.

For additional information contact Najla Stagers at [nstagers@crec.org](mailto:nstagers@crec.org).

Please bring ear buds and a laptop or other device for note taking and access to on-line resources.
