## Connecticut After School Partnership Showcase and Networking Meeting

After school professionals throughout Connecticut who receive Connecticut State Department of Education after school program funding, or funding for 21st Century Community Learning Centers, will have the opportunity to both showcase program success and network with peers during this workshop.

☑he event will feature interactive breakout sessions that highlight best practices in after school programs. Attendees will have time to browse vendor tables and share resources with colleagues from throughout the state. Participants should include director level and direct service staff.
