This full-day workshop provides the practice and guidance needed to effectively begin teaching the Foundations curriculum for this designated level.

Participants will be able to:

- ✓ Obtain background knowledge and understand the research base of the why and how of Foundations instruction
- ✓ Identify the skills taught in Foundations Level K: phonological awareness; phonemic awareness and the alphabetic sound mastery; ways to form the key linkages-letter name, formation and sound; phonics; vocabulary; high frequency/trick words; fluency; comprehension strategies; manuscript handwriting, spelling, and punctuation
- ✓ Understand the principles of instruction; explicit, sequential, and cumulative instruction that engages multiple learning modalities with multisensory instruction, repetition, and immediate, specific feedback
- ✓ Prepare a daily Level K learning plan and practice lesson activity procedures
- ✓ Build a learning focused classroom: maximizing instructional time, learning lesson activities, using questioning to guide student learning and mastery, and encouraging craftsmanship for optimum outcomes
