

Administration

Principal/Program Director

Each Principal/Program Director, working under the direction of the Executive Director or designee, shall be the chief administrator of the school or program. All personnel assigned to a building shall be directly responsible to the Principal/Program Director during the time they are working in the building.

Principals/Program Directors are charged with the supervision and direction of the staff and students assigned to their buildings, and with care of the school/program facility and its equipment. They shall see that rules and regulations of the district, the directives of its officers, and the guidelines for the instructional program are observed. Within the framework of the policies of the Council and the general rules and regulations set by the Executive Director, Principals/Program Directors may establish and enforce such rules as they deem advisable and necessary for the efficient operation of their school or program.
