### **Student Driving and Parking**

#### **Student Use of Motor Vehicles**

Licensed drivers who are in the 11<sup>th</sup> or 12<sup>th</sup> grades may be allowed parking privileges in a designated area of the school parking lot.

All requests for parking privileges must be accompanied by proof of proper licensing, insurance and registration, and compliance with all Department of Motor Vehicle regulations and rules. All students who request to park on school property must complete and sign an application that includes regulations for on-campus operation and parking of motor vehicles, and, in the case of students who are minors, must submit a parent permission form.

The only students who will be allowed to park on the school grounds, in the area designated for students, will be those that have been issued permits. Each permit will have a number and the permit will be valid only for the motor vehicle to which it is assigned. Permits will be for the academic year only. Any student abusing his/ her permit privileges will have the permit revoked. Any vehicle found on the school parking lot without a permit will be towed away at the owner's expense. Permits will be issued by the administration. Upon arrival at school students are not to remain in their vehicles, but are to come directly into the building.

All students receiving a permit must maintain a satisfactory level of scholastic achievement and general conduct. Students who are allowed parking privileges may not drive other students to school.

#### **Revocation of Permits**

Parking permits shall be revoked for the following reasons:

- Driving at an excessive speed on the school grounds
- Reckless or dangerous driving on the school grounds
- Leaving the school grounds without permission
- Failure to park in the area designated for students
- At the request of their parents
- Excessive tardiness

**5131.3-R**

- Loitering of students in their vehicles
