OCTOBER 2024 NEWS & NOTES

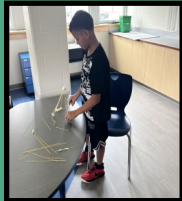

THANK YOU EAST HARTFORD FIRST RESPONDERS!

Our Polaris Staff & Students were excited to welcome East Hartford's finest men & women for an appreciation breakfast on October 1. Local Police, Fire & EMT personnel were honored for all they do in keeping our school & community safe.

TIMBER!

Students in Ms. Witherell's classroom spent some experimenting with tower building. The students were given a set amount of supplies and they had to work collaboratively to create a tower that would hold a marshmallow on top! The key to this experiment ... teamwork!

Many thanks to the Rhode Island School of Design for their donation of art supplies to Mrs. Bruzzi's classroom!

Supplies donated include paint, brushes, clay & much more!

Our students will benefit greatly by this act of kindness!
