KRISTINA STAR JORDAN
SOCIAL JUSTICE SCHOLARSHIP FUND

For over 25 years, Kristina Star Jordan was an educational leader promoting racial equity and social justice for systematically marginalized individuals. At the time of her passing, Kristina was the Director of School Choice at CREC. Kristina was courageous, graceful, and unapologetic in working toward social justice and equity in her communities, especially for children in the New London and Hartford regions.

As Director of School Choice, Kristina built authentic relationships, changed systems, improved environments, established new practices, and ensured equitable access for students and families. She secured substantial funding to ensure that School Choice would continue having a skilled, supportive team to engage with regional partner districts. The message she lived up to was ensuring students feel proud of who they are and where they come from.

This scholarship in Kristina's name recognizes the efforts of a student who participates in the Hartford Region Open Choice Program and is a champion and leader in their district for equity, social justice, and inclusion.
