

CREC John J. Allison Jr.
POLARIS CENTER
 Guiding students to learn and grow

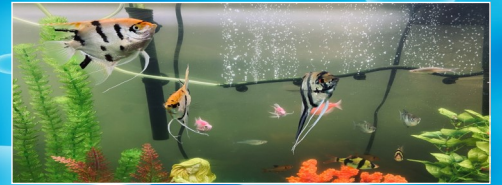

FEBRUARY 2025 NEWS & NOTES

UNDER THE SEA!

Many thanks to Ms. Thompson for her generous donation of a fish tank to the Polaris Center!

Our students have enjoyed meeting our newfound friends which include: numerous angel fish, a Cori catfish, a snail, an albino beta & a little frog!

LINCOLN TECH

Students in our CAVE Program spent a day at Lincoln Technical Institute in East Windsor. They toured the Health Sciences Program, learning about professions in medicine including: Medical Assistant, Lab Technician, & Laboratory/Surgical Procedures.

Students & staff in Ms. Reyes' classroom had a blast in Art Class this month as they learned how to repurpose broken or worn out crayons.

This activity helped students see how they could take something broken, fix it & reuse it. Polaris is always looking for ways to reduce, reuse & recycle - great job guys!

CONGRATULATIONS!

JANUARY STUDENTS OF THE MONTH

MATTHEW * TASHARIA * LILY

These students have excelled at upholding our three core values:

BE SAFE | BE RESPECTFUL | BE RESPONSIBLE

KEEP UP THE GREAT WORK!

HOW CAN WE HELP?
